NB

- Single unit (s) for Option 1 inspection is one (1) day (but acreage or distance between production units will determine the actual time taken).
- For group inspection, number of days will be determined by the $\sqrt{\text{of members}}$.
The QMS document audit will take an average of 6-8 hours and average of 2- 3 farmers will be inspected per day (depending on distribution).
- Working hours are 8 am to 5pm. Traveling is only allowed within working hours.
